

Spanaway Chapter

September 2022

Summer has flown by!

We have had some fun in the past month. The Billy De Campout was a blast. Not as well attended as we would have liked but there is always next year. We already have it scheduled for next year. Thank you to North Kitsap, Elk Country, Foothills, SKCC and Tacoma for making an appearance at the campout. Always great to see chapters getting together and supporting each other.

We have taken nominations in August for next year's officers. We will take one more set of nominations in September and be voting on new officers in September, so this will be the last Spanaway newsletter you will see from me. I would like to thank the officers that have worked with me over these past two years. It is impossible to run a chapter without these great people. Thank you, Chris McAfee, Ryan Eaton, Pete Reeves, Theresa Kaiser, and Pam Bugbee, you guys are awesome. I want to thank Mr Billy De for his guidance and mentorship, big shoes to fill, very humbled to be asked to step up for Billy De. Gone but not forgotten.

Look for fall events coming from Spanaway. Halloween Party and Santa for Seniors.

Thank you, it has been an honor being Spanaway Coordinator,

Andy McAfee

Spanaway Coordinator
