

## Pacific County Chapter Report

Our Fall Run and Labor Day Membership Drive Campout are behind us. Beside enjoying a roast pig BBQ, we welcome back lapsed member Karen. We are glad you are back!

The Fall Run began under smoky skies, but as usual, it was the best run of the year. Dry weather and Fall colors made for a good ride. Our Road Captain, Steve, navigated around road construction flawlessly. Thanks Steve and Debbie.

Fall means Political Season, so don't forget to contact and support the Legislators who support us!

Stay Sharp and Ride Safe.
