

## KEY PENINSULA CHAPTER REPORTS

Greetings from the Pen!

Out here in Ellensburg for STEAM and BOD today. Bittersweet because the weather is stellar, and we are hemmed up inside TCB but am glad to be here for this. We are doing the good work here and it's kinda nice to see a lot of new officers stepping up and into these rolls. Does makes me feel a bit old as I am kinda getting to be one of the coordinators that has been at this awhile now. Good stuff though.

Now onto recent share-worthy chapter business. We recently ran our 10th annual Brewery Run. We had really good participation from both riders and breweries. Quick mention of the breweries, and I recommend any and all of them. Echoes Brewery in Poulsbo, Deep Draft in Gorst, Bent Bine in Belfair, Wet Coast in Gig Harbor and finished at Yoked Farmhouse and Brewery in Port Orchard. The Drive provided the music and "drum roll please" we raised \$2066 to give away and did at our last chapter meeting. Key Peninsula Community Services was chosen as our benefactor for the good work they do with feeding seniors on the Key Peninsula. Great day for a great cause. We had members from Star Lake, North Kitsap and our illustrious State Coordinator joined us. Big thanks to Band of Brothers MC for taking on Road Captain duties for us and getting us through the route safe. Come join us next year! Until we see you again and as always, Stay Cool!!
