

Greetings, everyone, from Star Lake Chapter

May 15, 2025

We conducted our chapter meeting on May 4th, 2025, 11am at Rail Hop'n Brewery in Auburn. Discussed the April BOD event and what we could do better if we decide to host another BOD next year. The chapter would like to thank all the state and chapter members that attended the BOD and participated in donating to the Taco meal and raffle ticket drawings. The chapter discussed the route and plans for the annual charity benefit ride on June 7th. All the establishments are on board and excited to support our event. The chapter will be discussing details at next meeting concerning Spring Opener events, raffle ticket sales, and upcoming rides with other ABATE chapters. Please welcome our newest member of Star Lake, Austia Hale, joined the chapter last week. The next meeting will be on Friday, June 6th at 6 pm at the Nyland home at 4309 S. 73rd St, Tacoma 98409. We will be gathering and preparing the swag for charity ride the next day on Saturday, June 7th.

Now for this month's safety note. As we enter peak riding season, it also the time for major road reconstruction and projects. It also introduces some serious road davits that can cause some concerning damage to the bike, riders and passengers. Not much we can do about it except to stay vigilant to road conditions and approach questionable roads slowly. It's okay to throttle back and take the easy route.

As always, remember the three S's - Stay Alert, Stay Safe, Stay Alive. See you down the road.

Coordinator Ken Nyland
