

Greetings from Spokane

Not a bad turnout for our JOYA charity ride. The weather turned out to be perfect! If you ever get to our part of the state, Jackson Street Bar and Grill is a must stop in. Great food, service and owner. Thanks to Ron for hosting.

Shout out to 3 local groups Rogue Zombies, Combat Vets and D.D.A.R.C., who joined us to help double last year's net profit for this awesome organization! STEAM is happening this weekend and we had a couple new officers ride over. Thanks to Diana, Alan and Cris for stepping up.

Our next big event is in December. A pizza meeting/social for ABATE families. Until then, we will ride as much as the weather stays above 45'.

Ride safe
