

## **Grant County Chapter**

Been a crazy winter for weather but with that are getting ready for our Hearts for Paws fundraiser event for Hands 'N Paws animal rescue on February 4 at our new location. This year it will be at the Ephrata Recreational Center. The event will include a live auction, silent auction, dessert auction and more with an all you can eat taco and potato bar. Also mark your calendars for Run to the Desert August 25-28 in Soap Lake at Smokiam Resort. We have moved this event to the Resort that offers many types of camping including Teepees. Reservation can be made at Smokiam Resort and tell them this is for our event. There is a pool, put put golf, hot tub, lake front and much more. Also this year our local Rat Rod club will be joining our event. Details to follow.

Stay safe and safe travels

Susan Carson  
Grant County Coordinator
