

Pacific County Chapter Report

The Pacific County Chapter February Meeting was our first annual Chili Contest. We had a great meeting that understandably ran long. We had multiple crock-pots of chili simmering and our Chapter Secretary Donalee, made cornbread. When the judging was over, yours truly squeaked out the most votes for "Best Chili".

I think that honestly, a mixture of two or three of the contesting chili recipes was the "Best Chili"....somewhat like a blended red wine or a blend of American and Turkish tobaccos.

On the political front. Keep focused on the bills we are watching. Sign up to support them at the Committee Hearings, and if they make it out of Committee, it is "Game On" to urge your Legislator to push them across the finish line!

Remember to check your bike over before those Spring rides, and watch out for shady, frosty spots.

Stay sharp, and ride safe.
