MEETING OF THE MINDS
— MILWAUKEE —

Meeting Of The Minds 2026 If Not You, Then Who?

Every rider wants someone to protect the future of motorcycling.

- Someone to monitor legislation.
- Someone to meet with lawmakers.
- Someone to challenge bad regulations.
- Someone to defend access.
- Someone to fight profiling.
- Someone to stand up when motorcycling comes under attack.

The problem is that "someone" has a name.

- It is always the riders who decide to get involved.
- The riders who attend meetings.
- The riders who learn the issues.
- The riders who build relationships.
- The riders who show up.

For decades, motorcyclists' rights have been defended by a relatively small number of dedicated advocates who were willing to do what others would not.

The question facing our community today is simple: Will there be enough riders willing to do the same tomorrow?

Meeting of the Minds exists to help answer that question.

Because good intentions do not protect motorcyclists' rights.

They are protected by informed riders who choose to engage.
