

Meeting Of The Minds 2026

More Than A Conference

Meeting of the Minds 2026 is a lot of things, however...

- It is not a trade show.
- It is not a rally.
- It is not a vacation.
- It is not just another event on the calendar.

It is four days dedicated to protecting the future of motorcycling.

Every attendee arrives with a different story.

Different experiences.

Different priorities.

Different challenges.

But we all share one thing in common:

A belief that motorcyclists' rights are worth defending.

That belief brings together riders from every region of the country.

- It creates friendships.
- It builds networks.
- It develops leaders.

And it strengthens the organizations that stand between motorcyclists and those who would restrict our freedoms.

For over four decades, riders have gathered for one purpose: To ensure that the next generation inherits a stronger motorcycling community than the one we inherited.

That work continues in Milwaukee.
