

## Grant County Chapter

We have had some great social runs organized by our Co-Road Captains and will continue as the year progresses. We had a pancake breakfast to raise money this year because due to unfortunate circumstances with the mail system and the State Fire Marshall's office, we could not sell fireworks to help with fundraising. This is our year money to help the Soap Lake Food Bank while having some fun. We are still having Our Run to the Desert, and the John Larson Memorial Run, so mark it on your calendar. See the flyer for more information or follow our event on Facebook.

Safe travels everyone

Susan "Stars" Carson
