

Freeze Your Butt Off with Rat City

The Rat City Chapter is ready for another FREEZE YOUR BUTT OFF Ride to benefit the White Center Food Bank. Once again, we are starting up at Elmer's Bar & Grill in Burien where they open with breakfast available starting at 9:00 a.m. We'll start with registrations at 9:30 and plan to have our kickstands up at 10:30. If there's another big turn-out like last year, probably plan on heading out in smaller groups, and how some of us decide to get there is up to the weather partly.

We're keeping the fundraising going for the food bank because there are still people who badly need it. We had a great event last November, and the food bank just needs another 2 million dollars for their relocating to a new location in downtown White Center, so come on out and let's help them with another thousand bucks or so! Check out their Capital Campaign at

<https://www.whitecenterfoodbank.org/capital-campaign>.

For details on the route and stops on our Freeze Your Butt Off ride, visit our website
