

Foothills Chapter Report

Greetings from Foothills! Enjoying the down time after the holidays, patiently waiting for nicer weather. Huge shout out to the Buckley Eagles, Aerie 1387 for their continued support & allowing us to mount our new ABATE of WA motorcycle awareness sign on their property right on State Route 410 for all to see!! Next time in your Buckley, swing in and say hi, they are always welcoming, friendly, & supportive of the motorcycle community. In January we joined Spanaway for another successful chili cook-off, 21 entries!! Was a great time, yummy chili, great laughs & fellowship. As I look out the window at this Valentine's Day snow, I'm trying to decide what to make for their soup cook off this upcoming weekend. Not much happening in the Foothills chapter in March, will be joining EPCC on their 3rd Annual Leprechaun Run being one of many events we will be supporting of our neighboring chapters. On Saturday, April 8th we have our Easter Run benefiting Terry Homes. Our weekly socials are Thursday's @ 6pm, at the Buckley Eagles for now. Next chapter business meeting is Sunday, March 5th @ 10am, Buckley Eagles.
