

Hello, Friends! March is always a very exciting and hectic month for EPCC! Our chapter fundraiser, “A Night Out With EPCC” on March 1st was successful and a lot of fun. A huge THANK YOU to all the friends, family, and donors who made it happen. The typical bi-polar weather for our 5th annual Leprechaun Memorial Run on the 15th brought a lower attendance this year – but quality trumped quantity and we had a great time. Our Leprechaun sent us a few lovely sunbreaks, but it was mostly cold and wet with biting winds. Much love, respect and gratitude to all those who braved it to support us!

Stay safe and well – we’re looking forward to seeing you all soon.
