

Greetings from the Spanaway Chapter!

Spanaway is in the planning stages of putting together our 'Fallen Riders Run', which will be May 31st. This ride will be dedicated to all of our members who have passed.

We are also getting ready for Spring Opener and our annual Spring Opener Poker run. Poker run shirts are available for purchase and are in limited supply.

We had members at the Spokane Motorcycle Show selling products for state along with raffle tickets for the motorcycles and guns and the following weekend at the Monroe Swap Meet. If you didn't get a chance to see the 2024 Road Glide or the 2020 Triumph Bobber at these events, Spring Opener will be the next showing.

We look forward to supporting other chapters throughout the spring & summer on their runs and fundraisers.

Please watch out for others because they definitely do not watch out for you!

Chris M
