

Foothills Chapter Report

Hey all! Greetings from Foothills! Just got home from a great training session at STEAM & BOD. Enjoyed the heck out of our fellowships within ABATE of Washington & now Oregon, that gal can play some Ship Captain Crew! Next up BASH food boxes on Friday, November 18th. It's a joy to support such a great organization and help out where we can. As this year winds down, it's hard to wrap my head around all the good things that we have accomplished together as an organization/family, working together, helping & supporting each other's missions, & even grieving together. I certainly appreciate each and every one of the relationships I have formed within this organization. I appreciate you all very much! Excited to see what 2023 has in store for us. Have a Happy Thanksgiving & we will see you out & about this holiday season!
