

## Pacific County Chapter Report

Our November Chapter Meeting was a Historic Event. I was pleased to present our former Coordinator and Founding Member of the Pacific County Chapter, Lenny Pletsch, with a Lifetime Membership. The BOD voted unanimously to present Lenny with this honor for his years of service to ABATE of WA. Lenny was the Coordinator of the Pacific County Chapter for 24 years. He started the Safety and Education Committee and was Chapter LAO from 1995-2017.

By the time this is published, Thanksgiving will be in the mirror, and Toy Run Season will have arrived. We supported Jumbo's Memorial Toy Run again this year. Plans are in work for our first (of hopefully many) Chili Contest. Brush up on your spice mix and pepper slicing technique.

Merry Christmas to all,

John Tschannen  
Chapter Coordinator
