

Gavin Crabb is a senior member of the Thought Leadership team within the Investment Solutions Group at Dimensional. He is responsible for supporting the effective communication of Dimensional's investment approach and strategies to clients and prospects, and developing informative content to help educate clients on a broad range of investment topics. Gavin brings a unique perspective to this role, as he was previously a Portfolio Manager on Dimensional's small cap strategies for over 10 years.

Prior to joining Dimensional, Gavin was a vice president in equity derivative sales at Barclays in New York. In this role, he helped clients gain access to emerging market equities and consulted on hedging strategies for equity portfolios.

Gavin holds a bachelor's degree in industrial engineering from California Polytechnic State University, San Luis Obispo, and an MBA from the Anderson School of Management at UCLA.
