Keep Calm & Join Teen Club

FREE

The Teen Club is back! The spring session began February 28 and will end on Tuesday, April 11. The Teen Club programs, designed specifically for teens between grades 6 and 12, take place downstairs in the Friends of the Library Meeting Room on Tuesdays from 3:30 p.m. to 4:30 p.m. with the exception of Tuesday, April 4, which is during the week of Spring Break. Registration is not required.

During the Teen Club meetings, teens participate in a variety of fun activities. Meetings typically include snacks, games and more! The possibilities for the activities are endless. For instance, the spring session of Teen Club includes a cupcake decorating contest, a Book vs. Movie discussion and a DIY cassette tape wallet craft. The Teen Club is an excellent after school activity where teens are given the opportunity to interact with their peers, explore their interests, discuss their favorite books and have fun.
