

EL SEGUNDO

Capital Improvement Upcoming Projects

Modifications to Water Pump Stations 1 & 7

A yearlong project that will start construction in the Spring. (Pump Station 1 is adjacent to Acacia Park.)

Recreation and Parks Light Replacements

The lights at the El Segundo Park Tennis Courts will be replaced this Spring. Construction will last approximately one month, and the project is grant funded.

Imperial Highway Resurfacing

Imperial Highway will be resurfaced between Sepulveda and Aviation by removing the top 4 inch of asphalt and replacing it with a new layer of rubberized asphalt. The project is slated to begin in March 2017 and is expected to last approximately one month.

Fiber Optic Project

Underground fiber will be installed along El Segundo Blvd from Illinois Street to Continental Blvd. Construction will begin in the Spring and is expected to last approximately three months.

Gordon Clubhouse Playground

This Spring the playground at Gordon Clubhouse will be resurfaced utilizing grant funding received by LA County. The project is expected to be completed in one month.
