

EL SEGUNDO

WELCOME

Estella
Cruz

Please welcome Estella Cruz to the Planning and Building Safety Department as our new Code Compliance Inspector. Estella was born and raised in Los Angeles. After graduating high school, she began her career in the private sector (mortgage business) and worked in the field for about 11 years. Estella has been in local government for 17 years and comes to us from the City of Pico Rivera, where she was in charge of the CDBG, Home and

CalHome Rehabilitation Programs for nine years. She was promoted to Code Enforcement Officer, which to her surprise, she loved. Currently, Estella is going to Fullerton College to get her Associate of Science Degree in Construction Inspections and enjoys traveling, music and her long hair Chihuahua, Shelia.

She joined the City of El Segundo for the beautiful beaches, the joy of watching airplanes at LAX land and take off on any given day, the variety of cool restaurants in walking distance, and because the residents are so nice and welcoming.
