Access Consumer Reports From Home

Looking for the latest ratings from Consumer Reports? You can download current articles from both the monthly magazine and latest issued 2017 Buying Guide at home for FREE with your library card through our MasterFile database.

To access, go [here](#) and click on the MasterFILE Complete link. Enter your library card number to open the site, then click on Advanced Search.

Type Consumer Reports in the Publication field and enter the type of ratings you are searching for (washing machine, car, etc.) in the top Search field. You can also select which time period you want to search (just 2016, just 2017, etc.). This will show you only articles from Consumer Reports.

If you have any questions, please stop by or call the **Reference Desk** at (310) 524-2728.

Prefer to read a hard copy? We keep copies of the monthly magazine and annual buying guide at the Reference Desk that can be used inside the library.
