

# EL SEGUNDO

## Library Celebrates City's 100th Anniversary

Throughout 2017, library programs will highlight the history of our City in honor of the Centennial Celebration.

The Friends of the El Segundo Public Library have sponsored two exhibits of historic photos in honor of the Centennial. Visit the library and browse the walls to discover little jewels of El Segundo's past. Additionally, the Friends have sponsored a traveling photo exhibit that will be on display at most major Centennial Celebrations throughout 2017. Look for the "big white tent."

Additional programs and celebrations can be enjoyed at the library in 2017. Please visit the library for further details.
