

# EL SEGUNDO

El Segundo Fire  
Wishes Everyone  
A Healthy &  
Prosperous  
2017  
100 Years  
of Excellence

The El Segundo Fire Department began the new year celebrating the City's Centennial celebration with new traditional leather helmets. El Segundo Firefighters have purchased their own helmet with pride to honor El Segundo and its 100 years of excellence! In addition, fire personnel are wearing a new patch on their uniforms that also honors the Centennial anniversary. Please view the new helmet and patch below and tell us what you think!
