## Historic Photos & Memorabilia

### Abby Jean Krimmel Mesak

In celebration of our City's Centennial, the Abby Jean Krimmel Mesak Memorial Heritage Room will rotate historic photos and memorabilia normally displayed in the History Room, into a Centennial display cabinet within the library. Patrons will be able to enjoy rare finds that help tell the story and history of El Segundo. Please stop by to visit the library periodically throughout 2017 to discover bits, pieces and treasures of our City.
