The 9-1-1 for Education basketball game between Police and Fire at the Lakers training center was a great success. We would like to thank the El Segundo community for their support, participation, and generosity. El Segundo came out in full force, resulting in a contribution to the Ed! Foundation in the amount of \$4,200. The El Segundo high school cheerleaders and band made an appearance making the event extra special and giving it that authentic basketball game feel. Police came out on top of a back and forth battle to claim the victory. We look forward to the rematch in 2018 at the new Lakers training facility.
