

KELLY HICKMAN-BEGLEY

Biography

My name is Kelly Hickman-Begley. I have been an RN with UCMC for 12 years on the Labor and Delivery unit.

In the past few years I have become much more involved with the union. I served on the negotiating team for the 2018 RNA contract, I have served the past 2 years as your RNA Secretary, I have been a delegate at the most recent ONA Convention as well as the AFT Convention, and most recently been elected as a SONA board member.

I am hopeful to continue my work in supporting our nurses here at UCMC as a board member.
