

# Vacation Bible School 2020

## "Jesus Heals"

Offered by Advent, Central,  
East Hills, and Edgeboro  
Moravian Churches

Dear Families,

In light of the current COVID19 pandemic and the uncertainty about in-person gatherings for the near future, you might be wondering whether VBS will take place this year.

The answer is "YES". We are planning a virtual VBS for June 22-26, 2020. It will include a daily video for you to watch at your convenience and a resource packet mailed out to you in advance. We will offer optional Zoom gatherings each day.

The theme will be "Jesus Heals." Jesus heals sick people up close and from a distance. Jesus heals broken relationships and friends can also bring friends to Jesus for healing. Since food has become more important to all of us during this pandemic, we'll also remember that Jesus welcomes all kinds of people to eat with him and wants everyone to have enough to eat!

We hope you and your child will join us for this on-line adventure which will include music, Bible story fun, art activities, messages from our nurses, and most importantly, a way to stay connected to each other and God. In advance of VBS, we will email you all the necessary links to the on-line resources we've prepared for the week.

Please save the date and plan for your child to attend this year. The program is open for children who are old enough to have completed three year old preschool through 6<sup>th</sup> grade.

You can register by clicking on the link below or typing it into your browser. **Please register no later than June 3<sup>rd</sup>** to allow time for the mailing of supplies.

Mail your donations to Central Moravian Church, 73 West Church Street, Bethlehem, PA 18018.

Peace, Your Enthusiastic VBS Planning Team
