LEMON BAY F.I.S.H. PROJECT

Lemon Bay Park, 570 Bay Park Blvd., Englewood

SARASOTA COUNTY — Get a little wet, have a little fun, learn a lot! Join American Littoral Society biologist Chuck Idelberger on a search for marine life in Lemon Bay at this free event. Using hand and seine nets, you will search shallow waters and seagrass beds, observing, collecting and discussing the natural history of some of the many interesting fishes and other animals that inhabit the bay. This event is for ages 8 and up and takes place from 9:30 - 11 a.m. For registration, call Chuck Idelberger at 941-488-8998.

For more information, call the Sarasota County Contact Center at 941-861-5000 or visit www.scgov.net.
