

**SB-2024-7**

**Service Bulletin:**  
***'24 450 RX Update Kit***

**Model Effected:**  
**All '24 450 RX**

---

**Customer Copy**

***To ensure that our quality is at a high standard, we are updating all '24 450 RX models with an update kit. This kit will update components on the unit to what is installed on the '25 models. There will be two other procedures we will have the dealers perform & check when installing the kit. Contact your nearest Beta dealership to schedule to have this service bulletin performed at no cost. If you need help locating the nearest dealership, use this link below.***
