NETWORKING

THE INDUSTRY'S PREMIER AUTOMOTIVE SERVICE EVENT

OUR HISTORY

VISION's journey began with a simple yet ambitious idea conceived by automotive service enthusiasts Jerry Holcom and Doug Stoll. Faced with the challenge of funding an automotive training weekend, the duo embarked on a daring mission, pooling their resources and determination to make it a reality. With a leap of faith and a \$10,000 loan, they transformed their vision into VISION Hi-Tech Training & Expo.

What started as a humble endeavor has evolved into a powerhouse event, thanks to the dedication of individuals like Jerry, whose passion and perseverance continue to fuel VISION's growth. From its modest beginnings to becoming one of the premier training conferences in the automotive industry, VISION's story is a testament to the transformative power of ambition and community.

VISION Hi-Tech Training & Expo is the premier automotive training event presented by the Midwest Auto Care Alliance. With a rich history spanning over 30 years, VISION offers attendees the opportunity to expand their knowledge and gain new skills while networking with industry professionals.

From automotive technicians and shop owners to managers and educators, VISION attracts a diverse audience passionate about staying ahead in the automotive service industry. Featuring over 100 cutting-edge management, technical, and educator training courses, as well as a 60,000 square-foot exhibit hall showcasing the latest tools, equipment, and technology, VISION is the ultimate destination for those seeking to elevate their expertise and drive innovation in their businesses.
