Workplace Morale & The Power of a Positive Team

live, in-person training with
Bradley Carpenter & Mark Kiser

Workplace Morale starts with being a positive leader and a positive employee. Simply, workplace moral starts with you! By nature, we are not positive because life is easy. We are positive because life can be hard. We all face numerous obstacles, negativity, and tests. There are times when it seems as if everything in the world is conspiring against you and your vision seems more like a fantasy than a reality. That's why positive leadership is essential. Our world seems to be full of negativity, what a great opportunity to become positive leader and influencer.

In this class you will learn how to thrive during challenges and change; create leaders in your organization, create a great culture, overcome negativity, and how to build a connected and committed team.

Bradley Carpenter is with BG Services and Mark Kiser is a Jon Gordon Certified Power of Positive Leadership Instructor.
