

Open House & Future Meeting Planning

discussion moderated by Al Wright

Here are some questions to ask yourself:

- Are there things you are struggling with in your shop?
- Is there something you need more training on?
- Is there a topic you would like to see at a future meeting?
- Do you want to learn more about what MWACA has to offer?
- Do you want to learn how to get the most out of your membership?
- Do you want to receive more information about becoming a MWACA member?

We have just the meeting for you. Come have your voice heard as we discuss the future of the Cedar Rapids Chapter meetings. We want to learn more about what you will benefit from. We want to get to know you more, and we want to help you.

This event is free for members & non-members and includes dinner. We want this to be an opportunity for **you** to have **your** voice heard.
