

## Wichita Chapter

Saturday, June 4, 2022

8:00am-4:30pm

City Center Campus  
(WSU Tech Building)  
301 S Grove Building C  
Wichita, KS 67211

# Advanced Alignment Diagnostics

presented in person  
by Scott Long, Hunter

The following diagnostic alignment angles will be discussed in detail: steering axis inclination (SAI), included angle (IA); setback; turning angle; maximum steering angle; symmetry measurements. Alignment printouts will provide practice using diagnostic angles. Hands on will include how to perform the measurements.

for shop  
owners,  
managers and  
technicians

MWACA Member: \$199  
Non-Member: \$250

includes lunch and training
