

## Wichita Chapter

# TPMS & Tire Safety

presented in person  
by Dennis Vock & Ryan Schmidt

Please join us as we we dive into an evening of tire repair, tire safety and TPMS. We will cover:

- Importance of Proper Tire Repair (Safety, Liability)
- What the Industry says?
- Proper Tire Repair Procedures
- Support/Training
- Why TPMS Should be seen as a Profit Center
- Industry Best Practices
- Diagnostics with Universal Tools
- Replacing Sensors .... all you need is ONE Sensor
- And more!

Tuesday, May 9, 2023
