# Exhibitor Parking Information

## Help Us Make Room For Expo Attendees

No box/large trucks or trailers should park in the convention center parking lot.

To maximize parking space for expo attendees, we request that exhibitors utilize the parking area located near the Overland Park Convention Center. Dock security will direct you to the correct area when you are ready to park. The lower level convention center parking area will only be reserved for attendee and exhibitor car parking. No box/large trucks or trailers should park in the lower level parking lot. Lack of parking can discourage expo attendees - your cooperation is appreciated.

### TRUCK/TRAILER PARKING OPTIONS:

Marriott Overland Park (available all day/night): This lot is located at the Marriott Overland Park location. The entrance is located off of Metcalf Ave. There will be a shuttle that runs between the Marriott Hotel and the Convention Center every 10-15 minutes. Please refer to your VISION Mobile App for shuttle times. There will be an area coned off on the Southeast corner of the lot reserved for VISION exhibitor parking.
