

special exhibit opportunity

Hi-Tech Tool Expo

featuring scan tools and diagnostic equipment

Thursday training sessions feature training sessions for specific diagnostic tools and strategies. This Hi-Tech Tool Expo has a targeted audience of today's automotive service professionals looking to further enhance their diagnostic skills and research new tools for their diagnostic arsenal.

Thursday, Feb. 29, 2024
4:00-7:00pm

Special opportunity for
VISION exhibitors only:
\$350 per booth (includes 5amp outlet)
