presented by Doug Rosencutter
Owner of Doug's Service Center

Do you have cars that have been sitting on your lot for months? Did your customer leave you with their car and an unpaid repair bill? Discover how to eliminate these headaches and free up your parking spaces and recoup any investment. Join us as we discuss all of the ins and outs of mechanics liens in the state of Kansas. Filing a mechanics lien doesn't need to be an overwhelming process. Learn what paperwork is needed, where to find the paperwork, and a step-by-step to easily complete the process. Attendees are encouraged to bring their own experiences, tips and tricks and more, as we discuss how to successfully gain titles to vehicles.
