

Des Moines Chapter

Employment- Related Liability

live training with
Angie Parrish, Risk Consultant
Federated Insurance

Employment-related liability surrounding employment issues can be daunting. This message is directed toward owners, managers, and human resources personnel, and offers methods to help avoid the pitfalls of employment actions. It specifically reviews necessary documentation, hiring practices, and termination procedures. It also includes additional available resources and tips for avoiding litigation.

Take the guesswork out of potentially problematic situations. Please make plans to join us for this invaluable class to help protect you and your shop.
