

## Gateway Collision Chapter

# CCC's Total Repair Platform: Increasing Your Shop Profits, CSI and Your Competitive Advantage

with Brian Linderman, Regional Business  
Manager, CCC Intelligent Solutions

Accelerate your business with a package that will help you meet the needs of your customers and your business. CCC Optimize streamlines repair management, parts ordering, and payment records into a single platform, making it easy for you to manage cycle times, improve ordering accuracy and drive customer satisfaction.
