

Filling The Bays

Presented in person
by: Rick White

Every business has busy and slow periods. It's amazing how many businesses out there know when there's going to be a slowdown and just accept it. The reality is there are things you can be doing right now that will make your business busier than ever before. This class teaches you strategies that you can implement immediately to help you increase revenue during the slow times. It will give you a marketing game plan that doesn't cost an arm and a leg and show you how everyone in business can make a difference.
