Improving Communication Between Service Advisors and Technicians

Led by Wichita Chapter Leaders

Learn how to improve communication between your advisors and technicians! Join fellow shop owners and managers as we discuss how to incorporate communication methods and processes that will reduce stress and comebacks, while also increasing productivity.

This is a unique opportunity to share ideas and methods that can make a big difference in the shop!

Members: \$25
Non-Members: \$35
includes dinner and training

for
shop owners
and
managers
