

Automotive Lift Safety

live training with
Josiah Ragsdale,
Automotive Lift Services

In this live course Josiah Ragsdale will cover how to safely operate an automotive lift, how to be sure that your lifts are safe and lower your liability, and how to extend your automotive lift's life.

Josiah Ragsdale originally started working on automotive lifts about 6 years ago. His original training was primarily from learning from other more experienced technicians. He has also been to Challenger Lifts training program. He started Automotive Lift Services as an official business in May of 2019.
