101 Courses are designed for people who wish to incorporate Connected Riding into their own riding or teaching program, or who wish to take the initial steps to becoming certified.

Course Outcomes:

- Receive a certificate of completion.
- Practice applications from SCRT 101 in

preparation to continue the training process by taking SCRT 102.

- If interested, apply as a candidate for the SCRT 103 to enter the certification path for Connected Riding, Blue Level practitioner.

Course Instructors:

Peggy Cummings or a CR Instructor, with the assistance of CR certified practitioners.
