

SCRT 100 Course

Come in for a Summer tune-up!

This course is geared to riders who either wish to review and refresh their Connected Riding skills or for riders who are new to the CR work. This course is a 2 or 3 day riding clinic that covers the overall scope of our method which includes CR theory, a course booklet of reminders, and lots of hands-on learning about rider posture, Connected groundwork with horses, and synchronizing with your horse in Connection under saddle! Class size is small and tailor-made for focused learning for you and your horse.

Contact one of our Connected Riding® teachers below to inquire about an upcoming course in your area:
