Dear Kevin,

RE: 2025 BCCMB Director Election Results

The 2025 Election of the BC Chicken Marketing Board has concluded. The BC Chicken Marketing Board's 2025 election schedule provided a vacancy for one (1) position representing Registered Chicken Growers.

As prescribed by the schedule, Registered Growers were advised of the vacancy and of the nomination procedures. The election process began on February 3, 2025.

As there was only one (1) valid nomination received by the deadline of February 20, 2025, no vote took place.

I declare Ray Nickel of Crossborder Holdings acclaimed to the BC Chicken Marketing Board for a three-year term commencing at the end of the BCCMB's AGM being held on March 14, 2025.

We confirm that the election was conducted according to the BCCMB Election Rules and Procedures as approved by the BC Farm Industry Review Board on August 15, 2023.

Yours truly,

Della Oberhoffner
Independent Election Officer for the BC Council of Marketing Boards
