

TG THERAPEUTICS INVITES YOU TO JOIN
LIVE AND VIRTUAL EDUCATIONAL PROGRAMS

Join us for a **free** multiple sclerosis (MS) educational event near you

Learn more about MS, tips that could improve brain health as well as the latest approved treatment option available from TG Therapeutics.

EACH FREE EVENT WILL INCLUDE:

- **Presentations from leading MS specialists** about MS and tips that could improve brain health
- **Information about the latest approved treatment option for MS**
- **Stories of personal journeys** shared by people living with MS
- **Plus, opportunities to connect** with others living with MS

WHEN:

September 28, 2023
6:00PM EDT

WHERE:

Bruno's Restaurant & Tavern
33 Allen Ave.
Portland, ME 04103

GUEST SPEAKER:

Dr. Ann Cabot, D.O.

Attendance is limited. Pre-registration is required for attendee and guest. All attendees must be 18 years of age or older. This is a promotional program and speakers and ambassadors are compensated by TG Therapeutics.
