Watershed Forestry – Lawn Conversion PLUS Program
Project Application

Application Submission Requirements:

- ☐ **Review Lawn Conversion Program Description and Standards** (document #1)
- ☐ **Completed Funding Application** (document #2)
- ☐ **Map or Shapefile of Project Extent** (instructions in document #2)
- ☐ **Signed Funding Agreement** (document #3)
- ☐ **Establishment Plan** (written as a narrative; follow the outline in document #4)
- ☐ **Signed 5-year Landowner Agreement** (document #5)
- ☐ **Optional: PLUS funds request** (document #3b)

After the complete Project Application is received, DCNR will conduct a review of the application, may schedule and conduct a site visit, and will notify the applicant of eligibility for planting and award via email.

Applicant Information:

Date Submitted:

Organization Name:

Project Coordinator:

Phone:

Email:

Project Information:

Project Name:

Project Address (if available):

Project Coordinates (decimal degrees):

Proposed Planting Season:

    ___ Fall 202__   ___ Spring 202__

Type of Planting:

    ___ Upland Forest Planting   ___ Meadow Planting

Acres Planned:

    ___ Upland Forest Planting   ___ Meadow Planting

Total Funding Requested:

    $_____ Upland Forest Planting ($5,000/ac)

    $_____ Meadow Planting ($3,700/ac)

    $_____ Additional funds (attach Document #3b)

Map of Project Extent:

Include a packaged shapefile (zip all associated files from ArcMap, *.kmz, or *.kml) and/or an aerial image (*.doc, *.PDF, or *.jpg file types) showing the extent of the proposed planting. **Maps must be labeled with the acreage of each planting area.** Attach this map both separately and as a component of the planting plan.
