

2017 Log A Load for Kids Sporting Clay Shoot

Seven Springs Resort Sporting Clays Range

1:30 PM – 5:30 PM, Friday, October 27, 2017

Please join us at the Pennsylvania Log A Load for Kids Sporting Clay Shoot at the “World Class” Seven Springs Resort Sporting Clay Range. Prizes for the top shooters/teams and station sponsorships will be available. This event is organized and managed by the Pennsylvania Log a Load for Kids co-sponsors: Pennsylvania Forestry Association and Pennsylvania Forest Products Association.

Log A Load For Kids is a National Giving Program where loggers and others donate the value of one load of logs (or any amount) to Children’s Miracle Network designated hospitals for the care of injured and critically ill children. All the net proceeds from this event will be donated to the six CMN Hospitals in Pennsylvania.

The Details

It is recommended that shooters bring their own shotguns and ammo for the event. However, shooters can also buy ammo and rent a shotgun at the sporting clay range for an additional fee. You will have the opportunity to shoot at 100 targets over the course. You will travel to the different shooting stations on a golf cart (Golf carts are included in the registration fee). This is a “fun” shoot and shooters of all skill levels from “never done this” to skilled are welcome. An experienced trapper will be at every station to offer advice and assistance. Reservations will be accepted on a “first come first served” basis with a 40-shooter maximum. There will be no “team” requirements. However, if shooters want to informally form four-person teams they are welcome to do so.
