

Fall Garage Sale 2025!

The Cameron Station Fall Garage Sale is a neighborhood-wide sale on Saturday, September 20, 2025, from 8:00 am to 1:00 pm.

How It Works?

- **Before the Sale:**
 - We will advertise the sale on various websites/social media, but feel free to publicize it as well;
 - We will post signs all over the neighborhood about the Garage Sale; and
 - Gather all your goodies to sell.

- **Day of Sale:**
 - Set-up to sell your stuff in the front of your home, in your garage, in front of your condo building, or on Main Street (on the median, near the shops);
 - Be ready for shoppers at 8:00 am (some show up even earlier); and
 - Sell your stuff! Meet your neighbors! Have fun!

- **Pro Tips from Your Neighbors:**
 - Price your items before the sale and leave room for negotiation (priced stickers can be ordered online);
 - Sort products into categories (kids' clothes, toys, electronics, free stuff) and add corresponding signs;
 - Cover or mark with signs things that are not for sale;
 - For large items, have a photo instead of the actual item;
 - Borrow tables/rolling racks if you need them for set-up; and
 - Have cash/coins on hand and be prepared to make contactless sales via apps such as Venmo or PayPal.
