HSA FEDERATED MEETING

Friday, May 25th
Byrd School Library - 9am

What is Federated HSA? Good question!!

Federated HSA is the umbrella for all the district HSAs. THIS meeting is open to ALL DISTRICT PARENTS.

THIS the only meeting of its type, and its 4X/year - with the Superintendant, Board Of Ed rep, Director of Curriculum, Principals, Business Admin (the guy who manages our district $) and parents.

Have questions? THIS is the meeting to come and ask, without the formalities of other meetings. THIS is the opportunity to tell them what is important to YOU.
